PATTY CAT ACTIVITIES

PLAY BALL!

(A GAME FOR ONE OR MORE PLAYERS)

Place four sheets of paper on the floor to form a large square. The square should look like the infield of a baseball field.

The papers stand for home plate, first base, second base, and third base.

Cut out the baseballs from the baseball bank on pages 2 and 3.

NOW YOU ARE READY TO PLAY BALL!

The pitcher chooses a ball and reads the words aloud.

- Which word has a **short a** sound? Say the word.
- If you do not choose the word with the **short a** sound, it's the next person's turn to bat. If you answer correctly, move to first base.
- The pitcher chooses another ball and reads aloud the words.
- Again, choose the word with a **short a** sound. If you answer correctly, move to second base.
- The pitcher reads another pair of words to you.
- If you answer this pitch correctly and the next one, you will make it to home plate. When you make it to home plate, you score a run.
- If you give an incorrect answer to any pitch or score a run, it's the next player's turn to bat.

How many pitches did you answer correctly? _____

How many runs did you score? _____

HELP PATTY CAT MAKE WORDS!

- Print this page.
- Cut off the slider strip of baseballs at the bottom of this page.
- Carefully cut along the dotted lines on Patty's bat. Insert the slider strip in the cuts. You should be able to move the strip up and down.
- Show the letters **at** on the whiteboard if available.
- Pull the strip up, one ball at a time.
- Use the letter on each baseball and the letters on the whiteboard to make a word. Sound out each word.

DRAW AND TELL THE STORY OF PATTY CAT

- Fold a sheet of paper into four rectangles.

- Cut apart the rectangles.
- Draw pictures of three important events in the story on three of the pieces of paper.
- Draw a picture that shows how the story ends on the last piece of paper.
- Now tell the story to someone you know. Lay out your four pictures and point to them as you tell the story.
- Now mix up the pictures. See if the person who listened to your story can put the pictures in the right order.
