

Smallfoot

Смолфут

Creator: Warner Animation Group

Year: 2018

Duration: 96 min

Our Remarks:

A funny story of the yeti who one day finds out about the existence of a real human! But the problem is that no one of his relatives do not believe to him. The main character goes for a long journey to prove his point.

Веселая история одного йети, который однажды узнает о существовании настоящего человека! Проблема в том, что никто из его сородичей не верит ему. Главный герой отправляется в долгое путешествие, чтобы доказать свою правоту.
