pumpkin

a large round vegetable with thick orange skin. The seeds can be dried and eaten and the soft flesh can be cooked as a vegetable or in sweet [↑]**pies**

- Pumpkin pie is a traditional American dish served on Thanksgiving

Word Origin:

late 17th cent.: alteration of earlier pumpion, from obsolete French **pompon**, via Latin from Greek **pepōn** 'large melon' (from **pepōn sikuos** 'ripe gourd').
