3. the same (*BrE*) the same person

- 'Was that George on the phone?' 'The same (= yes, it was George) .'

Word Origin:Middle English: from Old Norse *sami*, from an Indo-European root shared by Sanskrit *sama*, Greek *homos*.adverb (usually **the same**)

in the same way

- We treat boys exactly **the same as** girls.
- (informal) He gave me five dollars, **same as usual** .

Word Origin:[**same**] Middle English: from Old Norse *sami*, from an Indo-European root shared by Sanskrit *sama*, Greek *homos*.**same**1. **same**¹ **S1 W1** /seɪm/ *BrE* ^ˈ *AmE* ^ˈ adjective [only before noun]

[Date: 1100-1200; Language: Old Norse; Origin: samr]

1. NOT DIFFERENT

a) the same person, place, thing etc is one particular person etc and not a different one:

- He sits in the same chair every night.
- They went to the same school.

same as

- She was born on the same day as me.
- It is those same people who voted for the Democrats who now complain about their policies.

the very same (=the same person or thing and not a different one – used to emphasize that what you are saying seems surprising)

- We stood in front of the very same house in which Shakespeare wrote his plays.

b) used to say two or more people, things, events etc are exactly like each other:

- Both women were wearing the same dress.
- The same thing could happen again.

same as

- He gets the same pay as me but he gets his own office.

just/exactly the same something

- That's funny – Simon said exactly the same thing.
- The furniture is made in much the same (=almost the same) way as it was 200 years ago.

REGISTER

In written English, people often prefer to say that two amounts or values are **equal** rather than **the same**:

- They demanded equal pay for work of equal value.

2. **NOT CHANGING** used to say that a particular person or thing does not change:

- Her perfume has always had the same effect on me.
- He's the same old Peter – moody and irritable.

3. **at the same time**

a) if two things happen at the same time, they both happen together:

- Kate and I both went to live in Spain at the same time.

b) used when you want to say that something else is also true:

- We don't want to lose him. At the same time, he needs to realise that company regulations must be obeyed.

4. **amount/come to the same thing** to have the same result or effect:

- It doesn't matter whether she was happy to leave or not. It amounts to the same thing – she's gone.

5. **the same old story/excuse etc** *informal* something that you have heard many times before – used especially to show disapproval:

- It's the same old story – his wife didn't really love him.

6. **same difference** *spoken* used to say that different actions, behaviour etc have the same result or effect:

- 'I could mail the letter or send a fax in the morning.' 'Same difference. It still won't get there on time.'

7. **by the same token** *formal* for the same reasons – used when you want to say that something else is also true, especially something very different or surprising:

- I realise that he hasn't come up with any new ideas, but by the same token we haven't needed any.

8. **be in the same boat** to be in the same difficult situation that someone else is in:

- Others in her profession are in the same boat.

• • •

THESAURUS

- the same** used to say that two people, things, events etc are exactly like each other: The houses on the street all look the same. | They were doing the same jobs as the men, but being paid less.
- just like/exactly like** *especially spoken* used to say that there is very little difference between two people, things etc: He's just like his father. | There are insects that look exactly like green leaves.
- identical** identical things are exactly the same in every way: The tablets were identical in size, shape, and colour. | identical names
- indistinguishable** two things that are indistinguishable are so similar that it is impossible to know which is which or to see any differences between them: The copy was indistinguishable from the original painting.
- equal** two or more amounts, totals, levels etc that are equal are the same as each other: Spend an equal amount of time on each essay question.
- be no different from somebody/something** to be the same, even though you expect them to be different: People often think that movie stars are special, but really they're no different from anybody else.
- can't tell the difference** (also **can't tell somebody/something apart**) *especially spoken* if you can't tell the difference between two people or things, or if you can't tell them apart, they look, sound, or seem exactly the same to you: Emma and Louise sound so alike on the phone that I can't tell the difference.

II. **same**² **S1 W1** *BrE* ^{AmE} *pronoun*

1. **the same**

a) used to say that two or more people or things are exactly like each other:

- The coins may look the same but one's a forgery.

the same as

- Your measurements are exactly the same as Dana's.
- Thanks for your help – I'll do the same for you one day.

b) used to say that a particular person or thing does not change:

- Things just won't be the same without Sam.

REGISTER

In written English, people often prefer to say that an amount or level **remains constant** rather than **stays the same**.

2. **(and the) same to you!** *spoken*

- a) used as a reply to a greeting:
 " 'Merry Christmas!' 'And the same to you, Ben.'"
- b) used as an angry reply to a rude remark:
 " 'Up yours!' 'Same to you!'"
3. **just/all the same** in spite of a particular situation, opinion etc:
 " I realise she can be very annoying, but I think you should apologise all the same."
4. **all the same** in spite of something that you have just mentioned:
 " I'm not likely to run out of money but, all the same, I'm careful."
5. **it's all the same to somebody** used to say that someone does not mind what decision is made, would be pleased with any choice, or does not really care:
 " If it's all the same to you, I'll go this weekend."
6. **same here** *spoken* used to say that you feel the same way as someone else:
 " 'I'm exhausted.' 'Same here!'"
7. **(the) same again** used to ask for another drink of the same kind
8. **more of the same** another person, thing etc like the one just mentioned:
 " He has produced a string of thrillers, and this movie is just more of the same."
- ⇒ **one and the same** at ↑one²(18)
- . . .

GRAMMAR

Same usually has 'the' before it:

- They both gave the same reasons for leaving.
- The buildings all look the same.

You can also use 'this' or 'that' before **same** when it has a noun after it, to emphasize it:

- At that same moment, the telephone rang.

► **Same** never has 'a' before it:

- We went to the same school (NOT a same school).
- I'd like the same sort of car as that (NOT a same car as that).

You can say that one thing is **the same as** another. Do not use 'like' or 'with' after **same**:

- His answer was the same as mine (NOT the same like/with mine).

III. **same**³ **S1 W1 BrE** " **AmE** " **adverb**

1. **the same (as)** in the same way:

- " 'Rain' and 'reign' are pronounced the same, even though they are spelt differently."
- " Everyone had to dress the same as a well-known historical figure."

2. **same as somebody** *spoken* just like someone else:

- " I have my pride, same as anyone else."
