**institute**

Oxford Advanced Learners Dictionary 8th Ed.

**in-sti-tute** AW [institute institutes instituted instituting] noun, verb BrE ['ɪnstɪtjuːt]

" NAmE ['ɪnstɪtuːt]"

**noun**

an organization that has a particular purpose, especially one that is connected with education or a particular profession; the building used by this organization

- a research institute
- the Institute of Chartered Accountants
- institutes of higher education

**Word Origin:**

Middle English (originally meaning to appoint someone to a position): from Latin *institut-* 'established', from the verb *instituire*, from *in-* 'in, towards' + *statuere* 'set up'. The noun is from Latin *institutum* 'something designed, precept', neuter past participle of *instituire*; the current sense dates from the early 19th cent.

**Example Bank:**

- He is a key figure in the Institute of Mathematics.
- She belongs to the Chartered Institute of Management.
- She used to give lectures at the Mechanics' Institute.
- The Institute says that an unidentified virus is to blame for the syndrome.
- The environmental research institute found that the global average temperature had risen by 1.2°C.
- The research was funded by the National Cancer Institute.
- a national institute dedicated to treating people with eating disorders
- a non-profit research institute dedicated to research in the public interest
- an institute providing opportunities to graduates
- the International Institute for Economic Development
- He is a member of the Institute of Chartered Accountants.
- She is a professor at Glasgow University's Institute of Law and Ethics in Medicine.
- The course is offered at six colleges and institutes of higher education.
- The report was compiled by Germany's five leading economic research institutes.
- the Dundee Institute of Technology.

**verb ~ sth (formal)**

to introduce a system, policy, etc. or start a process

- to institute criminal proceedings against sb
- The new management intends to institute a number of changes.
