process

Describing a process

• This diagram illustrates the process of • paper-making. / This diagram shows how • paper is made.

First - / First of all -, logs are delivered to a paper mill, where the bark is removed and the wood is cut into small chips.

Next = / Second =, the wood chips are pulped, either using chemicals or in a pulping machine.

• Pulping breaks down the internal structure of the wood and **enables** • / **allows** • the natural oils **to** • be removed

Once = / After = the wood has been pulped, the pulp is bleached in order to = remove impurities. /...is bleached so that = impurities can = be removed

The next stage is to • feed the pulp into the paper machine, where it is mixed with water and then • poured onto a wire conveyor belt.

As • the pulp travels along the conveyor belt, the water drains away. This causes • the solid material to • sink to the bottom, forming a layer of paper.

At this point = the new paper is still wet, so = it is passed between large heated rollers, which press out the remaining water and simultaneously = dry the paper. / ...dry the paper at the same time =.

The final stage is to - wind the paper onto large rolls. / Finally -, the paper is wound onto large rolls.

Synonyms:

order

tell • instruct • direct • command

These words all mean to use your position of authority to say to sb that they must do sth.

order • to use your position of authority to tell sb to do sth: ■ The company was ordered to pay compensation to its former employee. ♦ 'Come here at once!' she ordered.

tell • to say to sb that they must or should do sth: ■ He was told to sit down and wait. ♦ Don't tell me what to do! instruct • (rather formal) to tell sb to do sth, especially in a formal or official way: ■ The letter instructed him to report to

instruct • (rather formal) to tell sb to do sth, especially in a formal or official way: • The letter instructed him to report to headquarters immediately.

direct • (formal) to give an official order. • The judge directed the jury to return a verdict of not guilty.

command • to use your position of authority to tell sb to do sth: = He commanded his men to retreat.

order or command?

Order is a more general word than **command** and can be used about anyone in a position of authority, such as a parent, teacher or government telling sb to do sth. **Command** is slightly stronger than **order** and is the normal word to use about an army officer giving orders, or in any context where it is normal to give orders without any discussion about them. It is less likely to be used about a parent or teacher.

to order/tell/instruct/direct/command sb to do sth

to order/instruct/direct/command that...

to do sth as ordered/told/instructed/directed/commanded
