—**remoteness** **noun** [uncountable]

• • •

THESAURUS

- **far** **adverb** a long distance – used mainly in negatives and questions, or after 'too', 'so', and 'as': It's not far to the airport from here. | Have you driven far? | The ship was so **far away** we could hardly see it.
- **a long way** **adverb** a long distance from somewhere. This is the most common way of talking about long distances, except in negatives and questions when **far** is also common: You must be tired – you've come a long way. | It's a long way down from the top of the cliff. | I can't see things that are **a long way away**.
- **miles** **adverb informal** a very long way: We hiked miles. | The school is **miles away** from where I live.
- **in the distance** **adverb** a long way from where you are now – used when talking about things that seem small or sounds that

seem quiet because they are a long way away: Dogs were barking somewhere in the distance.

- **distant** *adjective especially written* used about something that is a long distance from where you are now, and looks small or sounds quiet: By now, the plane was just a distant speck in the sky. | the rumble of distant thunder

- **faraway** *adjective especially written* a very long distance from where you are now: a traveller from a faraway land | His voice sounded faraway. | He told us stories about the faraway countries he had visited.

- **remote** *adjective* a remote place is a long distance from other places, and few people go there: The helicopter crashed in a remote part of the country. | remote holiday destinations

- **isolated** *adjective* an isolated place is a long distance from other towns, buildings, or people, and there is very little communication with surrounding places: isolated rural areas of Nepal | Occasionally we passed through a small isolated village. | If you travel to isolated areas, make sure you have a good guide.

- **off the beaten track** (also **off the beaten path** *American English*) *adverb* a place that is off the beaten track is a long distance from the places where people usually go, and often seems interesting and different because of this: She likes to go to places that are a bit off the beaten track.

II. remote² *BrE* ¹ *AmE* ¹ *noun* [countable]

a ↑remote control:

" Give me the remote.
