**scholar**

Oxford Advanced Learners Dictionary 8th Ed.

**scholar** [scholar scholars] *BrE* ['skɒlə(r)] <sup>m</sup> *NAmE* ['skɑːlə] <sup>m</sup> **noun**

1. a person who knows a lot about a particular subject because they have studied it in detail
  - a classical scholar
  - He was the most distinguished scholar in his field.
2. a student who has been given a <sup>↑</sup>scholarship to study at a school, college or university
  - a Rhodes scholar
3. (*BrE, informal*) a clever person who works hard at school
  - I was never much of a scholar.

Word Origin:

Old English scol(i)ere 'schoolchild, student', from late Latin *scholaris*, from Latin *schola*, from Greek *skholē* 'leisure, philosophy, lecture-place'.
