Word Origin:

Middle English: from Old French commencier, comencier, based on Latin com- (expressing intensive force) + initiare 'begin'.

Synonyms:

start

begin • start off • kick off • commence • open

These words are all used to talk about things happening from the beginning, or people doing the first part of sth.

start • to begin to happen or exist; to begin in a particular way or from a particular point: • When does the class start? **begin** • to start to happen or exist; to start in a particular way or from a particular point; to start speaking: • When does the concert begin?

start or begin?

There is not much difference in meaning between these words. **Start** is more frequent in spoken English and in business contexts; **begin** is more frequent in written English and is often used when you are describing a series of events: The story begins on the island of Corfu **Start** is not used to mean 'begin speaking': 'Ladies and gentlemen,' he started.

start off • (rather informal) to start happening or doing sth; to start by doing or being sth: • The discussion started off mildly enough.

kick off • (informal) to start an event or activity, especially in a particular way; (of an event, activity, etc.) to start, especially in a particular way: ■ Tom will kick off with a few comments. ♦ The festival kicks off on Monday, September 13.

commence • (formal) to start happening: • The meeting is scheduled to commence at noon.

open • to start an event or activity in a particular way; (of an event, film/movie or book) to start, especially in a particular way: • The story opens with a murder.
