THESAURUS

- **always** all the time, at all times, or every time: I will always love you. | He always carries his medicine. | People will always need houses.
- **forever** (*also for ever British English*) if something lasts or continues forever, it remains or continues for all future time: Nothing lasts forever. | He seemed to think he would live forever.
- **permanently** always, or for a very long time – used about changes that you expect to last forever. **Permanently** can be used with a verb or with an adjective: His eyesight may be permanently damaged. | They decided to move to Portugal permanently.
- **for life** for the rest of your life: Marriage is supposed to be for life. | He was sent to jail for life. | Remarks like that can affect someone for life.
- **for good** *especially spoken* forever – used to talk about a permanent change: This time, he's coming back for good. | Once a species dies out, it is gone for good.
- **for all time** forever – used when saying that something will last or be remembered forever because it is very good or special: Their deeds will be remembered for all time.
- **to/until your dying day** for the rest of your life – used when something has affected you very deeply: I'll remember what he said to my dying day.
