## complication

Oxford Advanced Learners Dictionary 8th Ed.

**com-pli-ca-tion** [complication complications] *BrE* [ˌkɒmplɪˈkeɪʃn] *n* *NAmE*

[ˌkɑːmˌplɪˈkeɪʃn] *n* noun

1. **countable, uncountable** a thing that makes a situation more complicated or difficult

• The bad weather added a further complication to our journey.

2. **countable, usually plural (medical)** a new problem or illness that makes treatment of a previous one more complicated or difficult

• She developed complications after the surgery.

• Infertility is one of the complications of this type of radiotherapy.

### Word Origin:

late Middle English: from late Latin *complicatio(n-)*, from Latin *complicare* 'fold together', from *com-* 'together' + *plicare* 'to fold'.

### Example Bank:

- Complications develop if the drug is not used properly.
- Further complications arose when the newspapers published an interview with the prisoner's family.
- Further complications arose when they published an interview with his family.
