Oxford Advanced Learners Dictionary 8th Ed.

broom

broom [broom brooms broomed brooming] *BrE* [bruːm] *NAme* [bruːm]

noun

1. **countable** a brush on the end of a long handle, used for sweeping floors
see also ↑new broom
2. **uncountable** a wild bush with small yellow flowers
see a new broom **at** ↑new

Word Origin:

Old English brōm (in sense 2), of Germanic origin; related to Dutch *braam*, also to ↑*bramble*.

Example Bank:

- Grab a broom and let's clean up.

broom

Longman DOCE 5th Ed. (En-En)

broom /bruːm,brʊm/ *BrE* *AmE* noun

[Language: Old English; Origin: from 'broom plant';]

[Sense 1: Origin: because broom branches were used for making brushes]

1. [countable] a large brush with a long handle, used for sweeping floors
2. [uncountable] a large bush with small yellow flowers
