collateral

col·lat·eral [collateral collaterals] noun, adjective BrE [kə'lætərəl] NAmE [kə'lætərəl]

noun uncountable (finance)

property or sth valuable that you promise to give to sb if you cannot pay back money that you borrow

• We had put our house up as collateral for our bank loan.

Word Origin:

late Middle English (as an adjective): from medieval Latin collateralis, from col- 'together with' + lateralis (from latus, later- 'side'). Sense 1 of the noun (originally US) is from the phrase collateral security, denoting something pledged in addition to the main obligation of a contract.

adjective (formal)

connected with sth else, but in addition to it and less important

· collateral benefits

· an independent contract collateral to the main contract

 The government denied that there had been any collateral damage (= injury to ordinary people or buildings) during the bombing raid.

Word Origin:

late Middle English (as an adjective): from medieval Latin collateralis, from col- 'together with' + lateralis (from latus, later- 'side'). Sense 1 of the noun (originally US) is from the phrase collateral security, denoting something pledged in addition to the main obligation of a contract.

collateral
