highland

Oxford Advanced Learners Dictionary 8th Ed.

high-land [highland highlands] *adjective, noun* *BrE* [ˈhaɪlənd] ^u *NAmE*

[ˈhaɪlənd]

adjective only before noun

- connected with an area of land that has hills or mountains
 - highland regions
 - highland roads
- Highland** connected with the ↑Highlands of Scotland
compare ↑lowland

Word Origin:

Old English hēahland 'a high promontory' (see ↑high, ↑land).

noun

- countable, usually plural** an area of land with hills or mountains
- the Highlands plural** the high mountain region of Scotland
compare ↑lowland
- Highland** a ↑council area of northern Scotland, to the north of the ↑Grampians (a range of mountains) and including some of the Inner ↑Hebrides islands. It is the largest of the council areas and has the lowest population ↑density (= number of people per area of land). Its administrative centre and only city is Inverness

Word Origin:

Old English hēahland 'a high promontory' (see ↑high, ↑land).
