Oxford Advanced Learners Dictionary 8th Ed.

scooter

scoot·er [scooter scooters scooted scooting] *BrE* [ˈsku:tə(r)] *NAmE*

[ˈsku:tə] *noun*

1. (*BrE*) (also **motor scooter** *NAmE, BrE*) a light motorcycle, usually with small wheels and a curved metal cover at the front to protect the rider's legs
2. a child's vehicle with two small wheels attached to a narrow board with a vertical handle. The rider holds the handle, puts one foot on the board and pushes against the ground with the other.

See also: ↑motor scooter

Example Bank:

- He gave me a ride on his scooter.
- She rides her scooter to work most days.

scooter

Longman DOCE 5th Ed. (En-En)
