- AmE noun [countable] II. scowl<sup>2</sup> BrE

an angry or disapproving expression on someone's face ⇒ **frown**:

Longman DOCE 5th Ed. (En-En)

Oxford Advanced Learners Dictionary 8th Ed.

She looked at me with a scowl.

# **THESAURUS**

## different types of expression

- frown the expression on your face when you move your eyebrows together because you are angry, unhappy, or confused: With a frown, she asked, 'So what's wrong with that?'
- **smile** an expression in which your mouth curves upwards, when you are being friendly or are happy or amused: She gave him a quick smile.
- scowl an angry or disapproving expression: There was a scowl of irritation on his face.
- glare a long angry look: He gave her a furious glare, but said nothing.
- **grimace** an expression you make by twisting your face because you do not like something or because you are feeling pain: His face twisted into a grimace of anguish.
- sneer an expression that shows you have no respect for something or someone: 'That's what you said last time,' she said with a sneer.
- **smirk** an expression in which you smile in an unpleasant way that shows you are pleased by someone else's bad luck or that you think you are better than other people: He had a self-satisfied smirk on his face.
- **pout** an expression in which you push out your lower lip because you are unhappy that you did not get what you want: 'You're going away?' she said with a pout.
