nimble
                                                                                    Oxford Advanced Learners Dictionary 8th Ed.
nim·ble [nimble nimbler nimblest] BrE ['nimbl]
                                                    NAmE ['nɪmbl] *
                                                                        adjective
                                                                                ; NAmE ['nimblist] )
(nim·bler BrE ['nɪmblə(r)] , NAmE ['nɪmblər]
                                                  , nim·blest BrE ['nɪmblɪst]
 1. able to move quickly and easily
  Syn: †agile
  · You need nimble fingers for that job.
  · She was extremely nimble on her feet.
 2. (of the mind) able to think and understand quickly
    Derived Word †nimbly
    Word Origin:
    Old English næ□mel 'quick to seize or comprehend', related to niman 'take', of Germanic origin. The -b- was added for ease of
    pronunciation.
nimble
                                                                                                Longman DOCE 5th Ed. (En-En)
