use/go to the bathroom/toilet/restroom/ladies' room/men's room/loo/lavatory

need the bathroom/toilet/loo/lavatory

Bathroom or toilet? In British English **bathroom** means a room with a bath or shower in it. It may also contain a toilet. In American English **bathroom** often means a room with a toilet in it, even if there is no bath or shower. In American English **toilet** is used only for the toilet itself, not for the room in which it is found.

British/American:

toilet / bathroom

In *BrE*, but not in *NAmE*, the room that has a toilet in it is usually referred to as a **toilet**. This room in people's houses can also be called the **lavatory**, or informally, the **loo**. An extra downstairs toilet in a house can be called the **cloakroom**. In public places, especially on signs, the words **toilets**, **Gents** (for men's toilets) or **Ladies** (for women's toilets) are used for a room or small building containing several toilets. You might also see **WC** or **Public Conveniences** on some signs.

In *NAmE* the room that contains a toilet is usually called the **bathroom**, never the **toilet**. A room with a toilet in a public place can also be called a **restroom**, **ladies' room**, **women's room** or **men's room**. **Washroom** is also used, especially in Canada.

Example Bank:

- I weigh myself on the bathroom scale(s) every day.
- Sorry I'm late! Dad was hogging the bathroom.
- The best boats have cabins with private bathrooms.
- The master bedroom also has an en suite bathroom.
- I have to go to the bathroom.
- Where's the bathroom?

bathroom
