• • •

THESAURUS

- **near** only a short distance from something or someone: I live near Salzburg in Austria. | If we moved to Dallas, we'd be near my parents.
- **close** very near something or someone, or almost touching them: The hotel is close to the beach. | Nancy came and sat close beside me on the bed.
- **not far (away)** not a long distance away – used when saying that a place is near enough to be easy to get to: The station's not far away from here.
- **nearby** near here or near a particular place: Is there a post office nearby? | A group of reporters were waiting nearby.
- **within walking distance (of something)** easy to walk to from somewhere, or near enough to something for you to walk there: There's a good school within walking distance. | The house is within walking distance of shopping facilities.
- **be convenient for something** *British English*, **be convenient to something** *American English* to be near a place that people want to get to, so that the place is easy to reach: The area is very convenient for Gatwick airport. | I want a hotel that's convenient for the city centre.
- **locally** in or near the area where you are or the area you are talking about: I prefer to buy fruit and vegetables that are grown locally.
- **around here** (also **round here** *British English*) *spoken* in the general area near here: Parking is impossible around here. | Is there a garage round here?
- **in the neighbourhood** *British English*, **in the neighborhood** *American English* living or existing in the area where you are or the area you are talking about: We grew up knowing all the other kids in the neighbourhood. | There's very little crime in the neighborhood.
- **in the vicinity** *formal* in the area around and near a particular place – used especially in news reports: A white van was seen in the vicinity at the time the murder took place.
- **neighbouring** *British English*, **neighboring** *American English* used about towns, countries etc that are very near a particular place: discussions between Egypt and neighbouring states | The rioting quickly spread to neighbouring areas.
