THESAURUS

- especially/particularly** used when you want to emphasize that something concerns or affects one person or thing more than others, or is true about a particular situation more than others: This disease mostly affects women, particularly older women. | Paris is always full of tourists, especially in the summer. | It's not easy to receive compliments, especially if you're not used to them. | The surface is very slippery, particularly when it has been raining.
- specially spoken** especially: I like parks, specially when they've got lakes. | You have to be careful what you say, specially if there are children listening.
- in particular** especially – used before or after a noun. Often used in the phrases **anyone/anything/anywhere in particular** and **someone/something/somewhere in particular**: Mary loves most classical music, in particular Bach and Vivaldi. | Kids in particular will love this show. | Is there anything in particular you would like to eat? | Was there someone in particular you were hoping to meet?
- notably formal** used for saying someone or something is an important example of what you are talking about: The use of illegal drugs – notably marijuana – has increased in recent years. | A number of respected philosophers, most notably Leibniz, criticized Newton's theories.
- above all** used for emphasizing that something is more important than all the other things you have mentioned: Get plenty of sleep, eat lots of good food, and above all try to relax.
- most of all** more than anything or anyone else: Swimming and soccer are fun, but I like dancing most of all. | Out of everybody at school she was the person who helped me most of all.
