# Synonyms:

# imagine

think • see • envisage • envision

These words all mean to form an idea in your mind of what sb/sth might be like.

imagine • to form an idea in your mind of what sb/sth might be like: • The house was just as she had imagined it.

think • to imagine sth that might happen or might have happened: ■ We couldn't think where you'd gone. □ Just think ■ — this time tomorrow we'll be lying on a beach.

see • to consider sth as a future possibility; to imagine sb as sth: ■ I can't see her changing her mind. ♦ His colleagues see him as a future director.

envisage • (especially BrE) to imagine what will happen in the future: • I don't envisage working with him again.

The usual word for this in American English is envision (see below).

**envision** • to imagine what a situation will be like in the future, especially a situation that you intend to work towards: • They envision an equal society, free from poverty and disease.

**Envision** is used especially in business and political contexts. In North American English it is also used as another form of the word **envisage**: I don't envision working with him again.

#### Synonyms:

#### regard

call • find • consider • see • view

These words all mean to think about sb/sth in a particular way.

regard • to think of sb/sth in a particular way: • He seemed to regard the whole thing as a joke.

call • to say that sb/sth has particular qualities or characteristics: • I wouldn't call German an easy language.

find • to have a particular feeling or opinion about sth: • You may find your illness hard to accept.

consider • to think of sb/sth in a particular way: • Who do you consider (to be) responsible for the accident?

#### regard or consider?

These two words have the same meaning, but they are used in different patterns and structures. In this meaning **consider** must be used with a complement or clause: you can consider sb/sth to be sth or consider sb/sth as sth, although very often the to be or as is left out: He considers himself an expert. They are considered a high-risk group. You can also consider that sb/sth is sth and again, the that can be left out. **Regard** is used in a narrower range of structures. The most frequent structure is regard sb/sth as sth; the as cannot be left out: I regard him a close friend. You cannot regard sb/sth to be sth or regard that sb/sth is sth. However, **regard** (but not **consider** in this meaning) can also be used without a noun or adjective complement but with just an object and adverb (sb/sth is highly regarded) or adverbial phrase (regard sb/sth with suspicion/jealousy/admiration).

see • to have an opinion of sth: • Try to see things from her point of view.

view • to think of sb/sth in a particular way: • How do you view your position within the company?

View has the same meaning as **regard** and **consider** but is slightly less frequent and slightly less formal. The main structures are view sb/sth as sb/sth (you cannot leave out the as) and view sb/sth with sth.

to regard/consider/see/viewsb/sth as sth

to regard/consider/see/viewsb/sth from a particular point of view

to find/consider sb/sth to be sth

generally /usually regarded/considered/seen/viewed as sth

to regard/consider/viewsb/sth favourably/unfavourably

# Synonyms:

#### see

spot • catch • glimpse

These words all mean to become aware of sb/sth by using your eyes, especially suddenly or when it is not easy to see them/it. see • to become aware of sb/sth by using your eyes: = She looked for him but couldn't see him in the crowd.  $\diamondsuit$ = He could see (that) she had been crying.
