bout

Oxford Advanced Learners Dictionary 8th Ed.

bout [baʊt baʊts] *BrE* [baʊt] ^ˈ *NAmE* [baʊt] ^ˈ **noun**

- a short period of great activity; a short period during which there is a lot of a particular thing, usually sth unpleasant
 - a drinking bout
 - ~ **of sth/of doing sth** the latest bout of inflation
 - Regular exercise is better than occasional bouts of strenuous activity.
- ~ (**of sth**) an attack or period of illness
 - a severe bout of flu/coughing
 - He suffered occasional bouts of depression.
 - (*NAmE*) a bout with the flu
- a [↑]boxing or [↑]wrestling match

Word Origin:

mid 16th cent. (denoting a curve or circuit, hence later a “turn” of activity): from dialect bought ‘bend, loop’; probably of Low German origin.

Example Bank:

- I got a bad bout of the flu last winter.
- a bout of depression
- A karate bout lasts for two or three minutes.
- He's just recovering from a severe bout of flu.
- It was hailed as one of the best heavyweight bouts of recent times.
- The doctor halted their bout after the ninth round.
- There has been a severe bout of inflation over recent months.
- They had been fighting after a drinking bout.

bout

Longman DOCE 5th Ed. (En-En)
