whip

Longman DOCE 5th Ed. (En-En)

I. whip ¹ /wɪp/ **BrE** ² **AmE** ³ **verb** (past tense and past participle **whipped**, present participle **whipping**)

[Date: 1200-1300; Origin: Probably from Middle Dutch or Middle Low German wippen 'to swing']

- 1. [transitive]** to hit someone or something with a whip:

He whipped the horse into a canter.

2. [intransitive, transitive always + adverb/preposition] to move quickly and violently, or to make something do this:

" The wind whipped her hair into her eyes.

whip across/around/past etc

" Rain whipped across the window pane.

whip something about/around

" The branches were being whipped about in the storm.

whip round/around

" He whipped round to face them.

3. [transitive always + adverb/preposition] to move or remove something with a quick sudden movement

whip something off/out/back etc

" Annie whipped off her apron and put it into the drawer.

" He whipped back the sheets.

4. [transitive] to mix cream or the clear part of an egg very hard until it becomes stiff ⇒ beat, whisk:

" Whip the cream until thick.

5. [transitive] British English informal to steal something

whip through something phrasal verb informal

to finish a job very quickly:

" He whipped through his routine paperwork before going home.

whip somebody/something ↔ up phrasal verb

1. to try to make people feel strongly about something

whip up interest/opposition/support etc

" They'll do anything to whip up a bit of interest in a book.

" an attempt to whip up the masses

2. to quickly make something to eat:

" Mother was in the kitchen whipping up a batch of cakes.

II. whip² BrE¹ AmE¹ noun

1. [countable] a long thin piece of rope or leather with a handle, that you hit animals with to make them move or that you hit someone with to punish them:

" The coachman cracked his whip and the carriage lurched forward.

2. [countable] a member of the US Congress or the British Parliament who is responsible for making sure that the members of their party attend and vote

3. [countable] a written order sent to members of the British Parliament telling them when and how to vote ⇒ †three-line whip

4. [uncountable and countable] British English a sweet dish made from the white part of eggs and chocolate or fruit, beaten together to make a smooth light mixture:

" pineapple whip

5. have the whip hand to have power and control over someone

⇒ crack the whip at †crack¹(14), ⇒ give somebody a fair crack of the whip at †fair¹(9)
