	BrE / ' ʃæmblıŋ/
	NAmE /' ʃæmblɪŋ/

Word Origin:

late 16th cent.: probably from dialect shamble 'ungainly', perhaps from the phrase shamble legs, with reference to the legs of trestle tables (such as would be used in a meat market: see **†shambles**).

Example Bank:

· She shambled off towards the stairs.

shamble

sham ble /'fæmbəl/ BrE AmE verb [intransitive always + adverb/preposition]

[Date: 1500-1600, Origin: shamble (of legs) 'curved, badly formed' (16-19 centuries), probably from shamble 'table from which meat is sold' (\Rightarrow \$shambles); probably because of the similarity to table legs]

- to walk slowly and awkwardly, not lifting your feet much, for example because you are tired, weak, or lazy SYN shuffle shamble over/past/along etc
 - The old man shambled out of the room muttering to himself.
 - shambling gait (=a shambling way of walking)
